

☰ MUSIC TECHNOLOGY & ENGINEERING PROGRAM

Brought to you by THINKALOT ENTERTAINMENT

Are you interested in **music**? Do you want a **hands-on**, behind the scenes experience with music production? Do you want to learn life skills that will help you reach your full potential? If you answered yes, you need to sign up for the **Music Technology & Engineering Program**.

Mr. Elijah Hooks, a Pinnacle parent is offering a dynamic learning opportunity for Pinnacle students. Students will learn **life skills**, such as goal setting, decision making & problem solving, emotional control, communication, and financial stability while creating music through **music technology**.

This is an intensive program geared for students in **grades 4 - 8**. Students will receive instruction from Mr. Hooks on Mondays & Wednesdays from 4:15—5:15 at Pinnacle. On Fridays, students will be able to go into the Thinkalot Studio to use music production equipment. Thinkalot Studio is located right in the city at 561 Forest Ave. (Parent must provide transportation to the studio.)
