

June 2011

Dear Parent/Guardian:

**New York State law requires a physical and a dental examination for all new students and all students entering PreK/Kindergarten and grades 2, 4, 7 and 10, as part of your child's requirements for school.**

For your convenience, a Health Certificate form is enclosed for your child's health care provider to complete, and a blue Dental Health form for the dentist to complete. I have also enclosed a list of some local Health and Dental clinics.

Please return the finished forms to Mrs. Katz as soon as possible. Forms may also be faxed to (716) 842-1242.

Thank you for continued cooperation.

Sincerely,

Mrs. Katz, RN, SNT  
School Nurse
